UNION:	BCNU	N/A	EOI
PROGRAM/DEPARTMENT:	Multiple	BENCHMARKS (If Applicable):	
REPORTING TO:	Department Manager		
FACILITY/SITE:	Campbell River Hospital		

JOB SUMMARY:

Are you someone who has a real passion for serving others? Are you an LPN looking to showcase your knowledge, skills, and abilities in a dynamic environment? Island Health is an employer that knows our people make the organization. It is our people that make a difference, deliver care and define our organizational culture.

We are the Health Authority for all of Vancouver Island, one of the most livable regions in the world - with access to the outdoors, year round due to our climate with warm dry summers and mild winters. We are the largest employer on Vancouver Island with approximately 24,500 employees, 1,900 Physician partners and 6,500 volunteers that provide health services to the 765,000 residents of Vancouver Island and adjacent coastal communities.

Opportunities are available in Campbell River Hospitals and in every setting that you can imagine! To name a few:

- Acute care
- Specialty (emergency, post partum, etc.)

These positions are located within the traditional homelands of the Kwakwaka'wakw territory:

- Campbell River - Dubbed the "salmon capital of the world", this seaside town surrounded by hiking and biking trails that challenge your sense of adventure.

TYPICAL DUTIES AND RESPONSIBILITIES:

- As per the specific department Job Description for area hired to (e.g. Emergency Room, Intensive Care, Medical/Surgical, Maternity/Pediatrics, and Operating Room)
- Within the framework of hospital and nursing department philosophy, mission and standards, the BC College of Nurses and Midwives Standards for Nursing Practice, and the Canadian Nurses Association (CNA) Code of Ethics for Nursing, the Registered Nurse provides professional nursing care to clients as a member of a multidisciplinary team, is responsible and accountable for coordinating and administering direct client care utilizing the nursing process, provides direction to auxiliary personnel and staff, and responds to emergency situations to safeguard clients, visitors and staff.

QUALIFICATIONS:

Education, Training And Experience

- Registration with BC College of Nurses and Midwives as a practicing LPN registrant.
- If hired to a nursing specialty area, completion of applicable post graduate clinical specialty education.
- Current CPR Level C

Skills And Abilities

If you are a passionate LPN interested in working for Island Health we would love to hear from you.

Please apply today so we can continue the conversation with you!
