About Island Health

Island Health provides health and care services to more than 885,000 people on Vancouver Island, the islands in the Salish Sea and the Johnstone Strait, and mainland communities north of Powell River. With more than 30,000 health care professionals, including more than 3,000 doctors, nurse practitioners, midwives and dentists that make up our Medical Staff, as well as 1,000 volunteers, and the dedicated support of 12 foundations and 19 active auxiliaries, Island Health delivers a broad range of health services, including: public health services, primary health care, home and community care, mental health and substance use services, acute care in hospitals, and much more across a huge and geographically diverse region.

Together, we are committed to providing superior health care through innovation, teaching and research and a commitment to quality and safety, creating healthier, stronger communities and a better quality of life for those we touch.

Island Health continues to be selected for top employer awards, including BCs Top Employer (2023). As an organization, we are committed to cultural safety and humility and we demonstrate this through our actions to address Indigenous specific racism, systemic racism and the ongoing impacts of colonialism.

Please reach out to our Indigenous Recruitment and Retention team for support with your application if you identify as Indigenous at indigenousemployment@islandhealth.ca

Island Health is committed to creating a workplace that fosters diversity and inclusion by attracting, retaining and developing a talented and diverse workforce which broadly reflects the community and citizens we serve. As such, we encourage applications from individuals from all genders, backgrounds and underrepresented groups.
