### JOB SUMMARY:

What's your therapy?

Enjoy great benefits, gain exposure to different and unique practice settings, and of course, soak up Vancouver Island's beautiful landscape your way. Join us and help create healthier and stronger communities on Vancouver Island while doing the activities you love most.

Island Health provides health and care services to more than 885,000 people on Vancouver Island, the islands in the Salish Sea and the Johnstone Strait, and mainland communities north of Powell River. With more than 30,000 health care professionals, including more than 3,000 doctors, nurse practitioners midwives and dentists that make up our Medical Staff - as well as 1,000 volunteers, and the dedicated support of 12 foundations and 19 active auxiliaries, Island Health delivers a broad range of health services, including: public health services, primary health care, home and community care, mental health and substance use services, acute care in hospitals, and much more across a huge and geographically diverse region.

Join the team at Island Health and use your exceptional skills to provide quality care for clients in a spectacular region with endless year-round recreational opportunities.

Current and future regular full-time, regular part-time, temporary and casual opportunities for Occupational Therapists are available across Vancouver Island.

### TYPICAL DUTIES AND RESPONSIBILITIES:

As per job description for specific department hired to.

### QUALIFICATIONS:

#### Education, Training And Experience
