

Job Search Categories

Island Health provides a variety of career opportunities on Vancouver Island, the islands in the Salish Sea and the Johnstone Strait and the mainland communities north of Powell River.

Positions within Island Health’s Job Posting and Application System (VI-Hire) are aligned to specific Job Search Categories and this document provides some examples of the types of jobs that you will find in each Category. **Note:** This list is not exhaustive as Island Health actually has thousands of different job descriptions/job titles.

For information on how to use the Job Search function or create a Job Search Agent, please refer to the FAQs within VI-Hire.
